

**ROUND 2 INTERVIEW**  
**June 9, 2018**

**COREY PAVIN (-10)**

---

**Q. Obviously not the way you wanted to finish there on 18, but how did you feel about your round today overall?**

**COREY PAVIN:** I played well today. It was a good round. Obviously I didn't want to bogey the last hole. I thought I hit a pretty good shot in there so I was a little surprised. I made a couple good putts here and there and played pretty solidly, so I was pretty happy with the way I played and got one more day to go tomorrow.

**Q. What has to go right for you tomorrow to put yourself at the top of that leaderboard?**

**COREY PAVIN:** I just have to go out and keep playing, doing what I'm doing. I can't force the issue and you never know what everybody's going to do. So I'll just go out there and play the best I can and see where I end up.

**Q. Is it exciting to look up at the leaderboard and see all those big names up there with you kind of in contention?**

**COREY PAVIN:** I'm just glad to see my name up there for a change. It's been a while. I played well last week at the Senior PGA, or two weeks ago, so I'm starting to play better and I can only control what I do. So I'll just try and do the best I can tomorrow, see what happens.

**Q. Obviously the focus is on tomorrow, but with the U.S. Open being at Shinnecock next week, what do you remember about your victory there? That 4-wood shot obviously comes to mind for most people, but what do you remember about it?**

**COREY PAVIN:** Well, I remember I finished something that I wanted to accomplish, to win a major championship, and I finally got it there. That was the biggest thing I took away from the week was getting something accomplished, a goal that I wanted to get and I got it. You know, the way I did it is the way I did it, but I was glad to have won a major championship.
